

## 09 Kids Activity Pack

Screen-light projects for curious hands, active minds, and growing confidence.

**Offer ready-to-start creative, movement, observation, and calm-down activities.**

# Choose Your Mission

---

Let the child pick an activity and gather only what is needed.

**Today I want to make, move, notice, or rest**

---

---

---

**My project will take about... minutes**

---

---

---

**I need these three supplies...**

---

---

---

**A grown-up who can help if needed is...**

---

---

---

**When I finish, I will put away...**

---

---

---

# Make-It Studio

---

Build a useful or imaginative creation from simple materials.

**Design a creature with one surprising feature**

---

---

---

**Build a paper bridge for three toy cars**

---

---

---

**Create a bookmark that shows your favorite color**

---

---

---

**Turn a box into a tiny shop, rocket, or theater**

---

---

---

**Make a collage from safe recycled paper**

---

---

---

# Move and Explore

---

Try short movement and observation challenges indoors or outside.

**Find and name five different textures**

---

---

---

**Balance like a flamingo for 10 seconds**

---

---

---

**Follow a safe zigzag path**

---

---

---

**Spot three shapes in the room**

---

---

---

**Make up a stretch named after an animal**

---

---

---

# Brain Breaks

---

Use playful puzzles that reward trying, not just getting answers.

**Sort household objects by two different rules**

---

---

---

**Continue this pattern: red, blue, blue...**

---

---

---

**Describe an object without saying its name**

---

---

---

**Invent a riddle whose answer is a spoon**

---

---

---

**Count how many ways you can use a towel**

---

---

---

# Quiet Corner

---

Practice a gentle reset when energy or feelings get big.

**Trace five slow breaths with a finger**

---

---

---

**Name three things you can see**

---

---

---

**Draw your feeling as weather**

---

---

---

**Squeeze and release your hands five times**

---

---

---

**Choose a quiet activity for the next 10 minutes**

---

---

---

# Proud Finish

---

Reflect on effort and save ideas for another day.

**The part I kept trying at was...**

---

---

---

**A choice I made by myself was...**

---

---

---

**Something I would change next time is...**

---

---

---

**I want to show or tell...**

---

---

---

**My next activity idea is...**

---

---

---

## Use and safety note

---

Use washable, age-safe supplies; adults should supervise tools, food, outdoors, and anything a child may mouth.

This printable tool is for general education and organization. Adapt it to your household, abilities, schedule, and circumstances.
